Expected May 2026

B.A. Disability Studies, University of Toledo

Expected May 2026

Awards & Honors: President's Honor List, Dean's List, Patricia Murphy Scholarship, Toledo Excellence Scholarship.

EXPERIENCE

Data Science Intern, Institute for Education Sciences/National Center for Special Education Research September 2023 – Present

- Worked collaboratively in a team-oriented environment with other interns, demonstrating flexibility and good judgement, to create a dashboard of grants funded by thinking through the elements parents and teachers would need, and how to pull that from the data and display it in plain language.
- Used a variety of tools in Excel to display and explore data such as creating drop down fields for coding data in cells in an Excel worksheet.
- Used Tableau for data visualization of major focus area of grants funded by the research center.
- Applied disability studies theory and methods to identify barriers to inclusion of students with disabilities in data science on the micro-, meso-, and macro- levels.

Research Assistant, University of Toledo

May 2022 – August 2022

- Developed project website Squarespace using basic HTML/CSS knowledge, including website accessibility assessment using WCAG and W3C resources.
- Collaborated as a team on qualitative analysis of focus group data and presentation of preliminary findings to project team members.
- Conceptualized cognitive accessibility in website, qualitative analysis, and accessible writing in Plain Language.
- Authored project updates on interview and focus group recruitment and a reflection of work experience.

LEADERSHIP & ACTIVITIES

President, Disability Student Union

August 2023 – Present

- Education, advocacy, and networking for students, with relation to Disability Culture, Justice, and Intersectional connections, within the University of Toledo and surrounding areas.
- Organize, maintain, and archive documentation of our activities and plan, organize, and facilitate general body meetings.
- Plan and organize social media engagement.

Secretary, Disability Student Union

April 2022 – August 2023

- Organized, maintained, and archived documentation of our activities.

Co-Founder, Disability Student Union

April 2022

- Collaborated on foundational policies, governance documents, and processes and methods of member engagement.
- Work as a team on development, revision, and finalization of organization.

Vice President, Inclusion

April 2022 – December 2022

- Foster an accepting, inclusive community space for students with disabilities at University of Toledo and educate about allyship to the disability community.
- Revitalize the organization with rebranding, new education efforts, and partnerships with Disability Student Union and other campus organizations and offices.
- Organized, maintained, and archived documentation of our activities and planned, organized, and facilitated meetings.
